Good morning,

No I was on the schedule for Thursday. Oh I agree with you.

Thank you,

Cynthia

Cynthia –

It doesn't look like you were sent the invitation for the conference call with the PRPs, the day after the pre-meeting discussion. I will send you that one too. It is for 2-4p this Thursday.

I noticed that your Chairman was on the list for the pre-meeting discussion. Whereas he is welcome to join, it will probably be too detailed to be worth his time.
